Kelly Sports offer a range of organised activities for children outside of the school curriculum. Their aim is to enhance children’s physical education and well provide expert coaching over a wide range of sports.

Each term at St Augustine’s, Kelly Sports offers after school sports programs to children.

These take place in our school grounds and programs run one day a week usually from 3:30pm to 4:30pm.

This means parents have an hour extra before they need to collect their child from school.

The most popular program is MULTISPORT where children get to participate in a range of sports.

Dance is sometimes offered during lunchtime.

Bookings and enquiries including cost can be made by phoning 0421 895 681 or by emailing: ana@kellysports.com.au

Kelly Sports Programs are advertised through the school newsletter.
